

Rannerdale Rock - Topo

- Blue Lip:** Starting on a jug on the left move along the lip via small edges then span out right to larger holds before turning the lip and topping out. **V4**
- Blooming Prow:** Starting on a low jug LH & a side pull around the arête RH move up via LH side pulls then slap for the lip, surmount this and top out. **V5**
- Blue Blood:** Start on the two jugs below the prow then head left via a sloping hold and gaston. Then slap LH to an edge on the lip before moving up to better holds on the face above. **V8**
